MEDIA SHEET 2023

New Steel Construction is the only journal exclusively serving the UK's steel construction industry

New Steel Construction is published jointly by the BCSA and Steel for Life, in association with the SCI

New Steel Construction is a highly targeted and therefore cost-effective vehicle to reach your market

**The magazine is available at:
www.newsteelconstruction.com
www.steelconstruction.info**

New Steel Construction is printed ten times a year and is published jointly by the British Constructional Steelwork Association, and Steel for Life, in Association with the Steel Construction Institute.

New Steel Construction is circulated to a select database of professionals active in the UK's steel construction industry, architects, engineers, surveyors and contractors. Launched in 1993, New Steel Construction is targeted at those who specify, design, build and fabricate structural steel, and has the broadest reach to professionals active in the steel construction sector.

New Steel Construction aims to provide a lively and up-to-date window into the steelwork construction industry, with quality coverage of projects and new products. The highest editorial standards are maintained, monitored by an Editorial Advisory Board comprising leading industry figures, including researchers, consultants, engineers and architects.

Each issue includes reports from site on cutting edge projects, profiles of leading figures from the steelwork industry and its clients, news of key publications and design software releases and updates, and a news section.

A digital version of the magazine is also available at www.newsteelconstruction.com

NSC Weekly Newsletter 2023

A value added service from NSC; a weekly email-newsletter sent directly to the inbox of registered members, providing regular weekly news, content and engagement, bringing a succinct and user friendly roundup of the top stories of the moment; which is designed to keep members up-to-date with important news and events as they happen.

Coverage will include breaking news, project updates, top appointments, technology developments and hard industry data. Each week the newsletter will showcase a brief roundup of five news stories, readers will be able to click on any specific news piece and go through to the full version of the story on www.newsteelconstruction.com. The highest editorial standards of reporting will continue to ensure that this will be a valuable and much relied on weekly source of intelligence for our members on the market.

For companies wishing to target this unique unparalleled audience we have developed the following special sponsorship opportunities:

Headline Banner or Skyscraper

The Headline Banner appears at the top of the newsletter above the New Steel Construction header. The Skyscraper option appears on the right hand side opposite news stories. Either space allows for both text and images to make your advert and message clear and powerful to the readers, who will be able to click on your advert and link through to any specific page on your website.

If you book for a number of months you will be able to change your advert copy any month you want as well as change the link page it sends readers to, ensuring your message and interaction with members can be flexible to suit whatever initiative you may have planned at that point of the year.

Headline Banner or Skyscraper*

Months booked	Cost per month
One	£900
Three	£700
Six	£600
Twelve	£500

* Prices quoted are for either the Headline Banner or the skyscraper, not both together.

Sponsors Logo

There will be up to five Sponsors Logo positions available on the newsletter, which balances with and complements the five new stories that appear each week on the email.

Your logo will appear on the right hand side of the newsletter so you really stand out and capture the reader's attention. Your logo can link through to any specific page on your website, driving interested readers directly to you, giving you the opportunity for ongoing branding and member engagement.

Sponsors Logo (five available)

Months booked	Cost per month
One	£700
Three	£500
Six	£400
Twelve	£300

All these spaces are limited and available on a first to book basis.

Limited advertising space ensures you really stand out and gain maximum exposure to the subscribers as they receive the email each week and read the news stories.

All advertising copy is subject to BCSA approval.

All prices quoted are per month prices and subject to VAT.

The screenshot shows the layout of the NSC Weekly Newsletter. At the top is a 'New Steel Construction' header with the date '14 January 2020'. Below this is a 'Headline banner' area featuring a 'HARE' logo and the NSC logo. To the right of the main content is a 'Skyscraper' vertical ad for 'Steel creating Leicester's Hotel Brooklyn'. Below the headline banner are several news articles with 'Read more...' links, including 'Free guide to UKCA marking post-Brexit now available', 'Bridge installed for Port of Sheerness upgrade', 'Plans submitted for near net-zero building in South Shields', and 'New engineering facility planned for University of Plymouth'. On the right side, there are 'Sponsors logos' for 'Steel Construction info', 'ASME Engineering Ltd', and 'SMD Floor and Roof Deck Specialists'. At the bottom, there is a 'National Structural Steelwork Specification' advertisement for the 7th Edition, published and now on sale. The footer contains copyright information and contact details for NSC.
